The Very Messy Mermaid

Always ask a grown-up to help when you're using scissors.

1. Cut around all the coloured triangles.
2. Fold along all the dotted lines.
3. Take one triangle. Carefully glue along the tab at the top, then fold it over a string or ribbon, starting 15cm from the end.
4. Repeat with all the triangles until you have a lovely string of bunting to hang in your room!
